- Designed to meet or exceed OSHA 29 CFR Subpart CC Part 1926.1431 final rule, and CSA / WCB Standards
- AWS D1.1 Certified Welding procedures, all welds are spatter free and smooth.
- Three-year warranty.
- Each CUSTOM CAGE is load tested.
- Inspection and certification of OSHA compliance included.
- Fully covered by product liability insurance.
- Inward swinging, self-latching access gate on most models
- 2" Square tubing design with 6" toe plate
- Safety lanyard tie off points
- Built to fit a standard gurney or stoke basket

Injuries happen in the construction business. When they do it's important to be ready. Rescue baskets provide a quick and safe extraction, thus potentially saving lives. We provide baskets for both a standard gurney or a stoke basket with tie down points for both.

Customer Review

"Ordered for LandMarc Construction in Hawarden, IA. Had amazing service from Carrie with great communication, gave great updates throughout the process and followed up after shipping. Our company has used before and obviously we will use again when necessary."

- Kristy Brandenburg – Landmark Construction
