

STANDARD ROUND MAN BASKET SPECIFICATIONS:

- Meets or exceeds A.S.M. E. B30.23-latest specifications.
- Designed to meet or exceed OSHA 29 CFR Subpart CC Part 1926.1431 final rule, and CSA / WCB Standards
- AWS D1.1 Certified Welding procedures, all welds are spatter free and smooth.
- Three-year warranty.
- Each CUSTOM CAGE is load tested.
- Inspection and certification of OSHA compliance included.
- Fully covered by product liability insurance.
- Inward swinging, self-latching access gate on most models
- 1 ½” or 2” Square tubing design with 6” toe plate
- Safety lanyard tie off points

Round man baskets are great for uses such as going down a shaft or even a man hole. There aren't many companies that even provide round man baskets. At Lakeshore Industrial we have an extensive selection with sizes ranging from 19” to 92” in diameter.

Customer Review

“Highly recommend for work cages! Built to the highest standards. The time frame for construction and delivery was very reasonable.”

- Damien Pung - Ric-Man Construction
